## Supporting and developing high-quality learning environments across Lancashire & South Cumbria Primary Lancashire & South Cumbria Primary

Care

Join us in our virtual Learning Environment Educator Development and Update Workshop

Our workshops are for any health care professional who support learners

The workshop includes an overview of professional education standards, from NMC, HCPC, GMC, Pharmacy

They also provide a forum for all educators to discuss their experiences and further develop their skills and knowledge, facilitated by our General Practice Educator Facilitators (GPEFs)

To register for one of our monthly sessions click <u>here</u> or scan the QR code.
