

SPREAD PLAN TEMPLATE

Part one: (One minute)

Individually, think of as many ways as you can (up to 10) to spread your improvement gains and write them in the space below.

Part two: (10 minutes)

Share your ideas with the rest of your group.

Part three: (15 minutes)

As a group, agree the top five ideas and enter them into the spread plan and appraise the strengths and weaknesses of each idea.

What will we share?	Who is this aimed at?	How will we share?	What are the strengths?	What are the weaknesses?	How can we turn the weakness into an opportunity?

Part four: (5 minutes)

Share your ideas with other groups. What do they like about it? What would be even better if...?
