

# LEAD NURSE COLLABORATIVE

Lancashire &  
South Cumbria  
PRIMARY CARE TRAINING HUB

2023

Are you a Lead Nurse?

Could you represent for your  
PCN at our Lancashire and South  
Cumbria Wide Collaborative?

We host a Virtual Forum for PCN Lead  
Nurses/Representatives, once a month (day and time  
changes monthly to allow accessibility to all).

The Forum provides useful resources, regular update of communications  
from local Integrated Care Board such as Infection Control and  
Safeguarding and National Steer. It allows nurses to share best practice  
and innovation across the system, collectively raise any nurse issues and  
provides peer support.

Each PCN will receive £45 an hour for 2 hours a month for a designated  
nurse to attend and be part of the collaborative. Please note this must have  
approval from the Practice Manager and PCN Manager.

Dates: 7 June, 12 July, 31 Aug, 28 Sept, 26 Oct, 30 Nov, 28 Dec, 25 Jan, 29 Feb,  
28 Mar, 25 Apr, 30 May, 27 Jun, 25 Jul

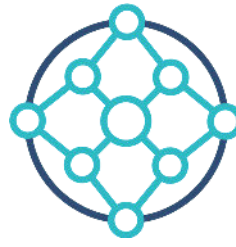

As part of the General Practice Nurse Programme in Lancashire and South  
Cumbria, we have funding for a Lead Nurse in Primary Care Networks to join  
our collaborative. The collaborative is continuing the work from the GPN10PP  
to collectively work together to support all nurses in Primary Care.

Each PCN Nurse will be expected to attend the virtual  
collaborative once a month and complete an additional  
hour's work, within the groups key objectives supporting all  
the nurses across their PCN (see Role Descriptor).
