Celebrating  
Preceptorship

# Lancashire & South Cumbria Primary Care Preceptorship Programme Workshop

The workshop will be led by Lancashire & South Cumbria Primary Care's Legacy Mentor and will be the starting point for GPNs and AHPs who are interested in supporting preceptorship within their practice.

## The workshop offers:

- an in-depth look at the national preceptorship programme
- an explanation of the roles, responsibilities and skills of the preceptor
- guidance on how preceptors can support preceptees in practice
- an explanation on how to complete the required documentation
- the development of peer preceptorship support networks
