

Apprenticeships Information Webinars

These sessions are suitable for any person who is responsible for apprenticeships, or who manages, supports, or works with apprentices.

Please note, the session is repeated on each date so you would only need to book onto and attend one session.

The sessions have been developed to provide an opportunity for anyone new to apprenticeships to develop their knowledge and understanding of apprenticeships.

The sessions will also be useful to anyone already working in apprenticeships or with apprentices, to top-up / further develop their knowledge.

The sessions will also give attendees the opportunity to ask questions and find out about the support and resources available to them.

The sessions will cover:

- Apprenticeships overview including funding rules / legal requirements.
- Employer responsibilities - supporting apprentices throughout their apprenticeship.
- Apprenticeship provider responsibilities
- Apprenticeship data and trends
- Apprenticeship funding (including reservation of funds and transfers) and procurement.
- Apprenticeship pipelines and pathways
- Support, Information, Guidance and Resources
